PRESIDENT'S MESSAGE

Good morning strong courageous accomplished women. As I have been reflecting on our ancestors and the building of the United States of America, I was humbled to know so many "risk takers," "out of the box thinkers" and "builders of the American dream." Whether your family came to America in the 1600's or if they immigrated to America at any time, they had to take enormous risks, to leave a place of comfort and familiarity to a place of uncertainty. We all still have that sense of building a better place with opportunities and freedom. I am so thankful that everyone reading this letter has decided to be involved and do what you can to accomplish that goal.

We are headed into the last of 2023 and many good things have been decided. The Texas legislature brought forth 1222 bills, 4028 resolutions and 866 bills were sent to the Governor. Although there has been much controversy, we have a slow but meaningful process that ensures our legislators have a voice. The legislature in special sessions brings to light the importance of electing people with our values.

The August meeting of our Republican women will welcome Julie Pickren, State Board of Education Member, District 7. We will also be collecting school supplies. If you are looking for places for information about policies or places to volunteer and get involved, our fall meetings are the place. Our wonderful newsletter by Jacqueline Irwin and the great synopsis of legislation given by Janet Bell is another resource.

Fall is the time for local candidates to file and campaign for the March primary. Our federal candidates are already off and running. It is an exciting time of year. The Texas Federation of Republican Women will hold their convention in Irving, Texas, October 12-15th. Our hope is that everyone will be actively discussing Republican values with friends, family, and close contacts. Change happens when people exchange ideas and discuss possibilities. Never ever underestimate the value of your voice.

I look forward to seeing everyone on August 4th.

Representative Pickren will share her expertise and experience on the State Board of Education. Representative Pickren will also discuss our current school board actions and WE can make the biggest differences. Representative Pickren believes that together we can ensure our children’s education prepares them to achieve the American Dream with Texas values.

Julie Pickren was born and raised in Houston, Texas and currently resides near Pearland, Texas with her husband and two sons. Not only is she a home school mom, but she herself is enrolled in The Wharton School of Business Executive Leadership Program. Julie Pickren represents the State Board of Education District 7, Counties of Brazoria, Chambers, Fort Bend, Galveston, Hardin, Jasper, Jefferson, Liberty, Newton, Orange, and Tyler. Like many across the district, Mrs. Pickren is a successful small business owner. Reinvesting in the community and supporting charities is very important to her family. Profits from their businesses provide financial support for multi-cultural churches and pro-life ministries. She also invests in real estate to provide affordable housing and small business economic opportunities for Native American Indians in The Choctaw Nation. Mrs. Pickren has a longstanding education leadership experience while serving in many capacities including serving as a board member at two Christian private schools, an Alvin ISD trustee from 2015-2021, and an education policy advisor for many states.

2022 Texas GOP Priorities

These priorities were chosen by over 5,000 voting delegates at the state convention, June 13-18, 2022 in Houston, Texas. Delegates were presented with a [list of 15 topics selected by the Legislative Priorities Committee](#) after a comprehensive review of resolutions passed at the precinct and senate district levels of the convention process. Delegates were allowed to vote on 8 topics, which became the official Legislative Priorities of the Republican Party of Texas.

1. Protect our Elections:

Restore felony penalties and enact civil penalties for Election Code violations, which shall be enforceable by any Texas jurisdiction, including the Texas Attorney General. Require citizenship verification of each voter. Restrict the distribution of mail-in ballots to only disabled, military, and citizens that are out of state. Reduce the time allowed for early voting, and eliminate the three-day gap between early voting and election day. Establish closed primaries in Texas. As technology evolves, we encourage the passage of legislation that ensures the security of our elections.

2. Secure the Border and Protect Texans:

Texas shall immediately deny all taxpayer funded services and subsidies to illegal aliens. We call upon the Governor to assert his duty under Article 1, Section 10, Clause 3 of the US Constitution to declare an invasion on our Texas border and do everything in his power to protect Texans from this invasion. The legislature shall direct the Governor to enter into an Interstate Compact with one or more states for Border Security.

3. Ban Gender Modification of Children:

Texas must ban chemical castration, puberty blockers, cross-sex hormones, genital mutilation, bodily alteration surgery, psychological/social transitioning, and any other methods applied to or performed on children.

4. Stop Sexualizing Texas Kids:

Repeal Texas Penal Code "Obscenity Exemption" 43.24(c), which allows children access to harmful, explicit, or pornographic materials and 43.25(f)(2 3), which allows sexual performance by a child. In addition, prohibit teaching, exposure, and/or discussion of sexual matters (mechanics, feelings, orientation, or "gender identity" issues), and prohibit use or provision of related books and other materials using criminal, civil or other enforcement measures.

5. Ban Democrat Chairs:

To ensure all legislative Republican priorities are given a fair opportunity to become law, the Republican-controlled Texas legislature shall adopt a rule that would end the practice of awarding committee chairmanships to Democrats.

6. Abolish Abortion in Texas:

Abolish abortion by ensuring the right to life and equal protection of the laws to all preborn children from the moment of fertilization, including adopting effective tools to ensure the enforcement of our laws to protect life when district attorneys fail to do so.

7. Defend Our Gun Rights:

Protect our gun rights against threats, such as red flag laws, federal, state or other restrictions, by strengthening and preserving our inalienable rights under the second amendment to protect our life, liberty and property. The Texas Legislature should eliminate gun-free zones.

8. Parental Rights and Educational Freedom:

Parents are the primary decision makers for their children in all matters. This authority shall be protected as an inalienable right. This shall include the choice of schooling where the money follows the child without strings attached, and enforcement and penalty mechanisms when parents' rights are violated. The right to education shall be free from any social theories.
