PRESIDENT'S MESSAGE

Fabulous February Clear Creek Republican Friends. How are those priorities going?

The Texas Legislature has been in session a little over two weeks. Have you called your Representative's office or Senator's office to voice your ideas on the surplus in the Texas budget. Phone calls are still a great way to voice your opinion.

Rep. Greg Bonnen M.D. (512) 463-0729
Rep. Terri Leo-Wilson (512) 463-0502
Senator Mays Middleton (512) 463-0111

This month we are privileged to have Dr. Robin Armstrong discussing the structure of the Republican Party and how we can expand our role in its success. With our disappointments in the November 2022 election, we need to prepare to be a part of the process. From my own experience it takes a steady commitment of speaking to friends, family and neighbors about the importance of every election.

I was fortunate to attend the Galveston County Republican Headquarters event with Dr. Robin Armstrong earlier this month and one take away was the need to convince Republican voters to vote early. He believes that voting early eliminates the excuse you may give yourself on Election Day. Of course, the scenario that comes to me is the shortage of paper ballots in Harris County on Election Day.

Join us to learn and connect with other Republican members.

Hope to see you February 10th at La Brisa!

Martha Bosworth

TEXAS

The 88th TX Legislature convened 01-10-2023

Republican Dade Phelan was re-elected TX House Speaker receiving bipartisan support of 145-3. Legislative priorities include the border, schools & the state's \$30 billion budget surplus resulting from sales taxes.

Gov. Abbott and Lt. Gov. Patrick are advocating for:

- 1) property tax relief including raising the homestead exemption from \$40K to \$60K and cutting business taxes by increasing the personal property exemption;
- 2) electric grid reliability by building more natural gas power plants; and
- 3) border security and law enforcement including a rural law enforcement fund and enhancing sheriff pay.

Also, they want U of H and TX Tech to be able to receive funds from the TX Permanent University Fund from which they heretofore have been excluded, unlike UT and A&M. Speaker Phelan advocates the budget surplus should primarily address state infrastructure including the power grid, roads, high speed internet, water, and drainage projects. (www.reformaustin.org)

TEXAS (cont'd)

TX Freedom Caucus (TFC):

18 of the 21 U.S. House Republicans who secured major wins for We the People during Speaker selection were members of the **Freedom Caucus**. Texas has its own House Freedom Caucus. TFC was established in 2017 to, "... amplify the voice of liberty-minded, grassroots Texans who want bold action to protect life, strengthen families, defend the U.S. and Texas Bills of Rights, restrain government, and revitalize personal and economic freedoms in the State of Texas." Of 150 TX House representatives, 12 are TFC members, including the following four newly elected members as of the 2022 midterm election: Rep **Terri Leo-Wilson** (HD 23), Rep **Richard Hayes** (HD 57), Rep **Carrie Isaac** (HD 73) and Rep **Nate Schatzline** (HD 93). The TFC stated mission echoes the TX Republican Party Legislative Priorities for the 23/24 88th Session of the TX Legislature as established by the voting delegates at the TX Republican Party state convention in June, 2022. (freedomfortexas.com)

TX Border Wall: (See CCRW 1/2023 Newsletter for more info):

Gov. Abbott launched Operation Lone Star (OLS) 3/2021 to secure the TX border by doing what, "...the Biden administration has refused to do." He issued a disaster declaration now covering 48 counties mostly along the border and directing DPS to, "... use available resources to enforce all applicable federal and state laws to prevent the criminal activity along the border, including criminal trespassing, smuggling, and human trafficking..." The cost is estimated at \$2 million/week. Abbott states OLS has apprehended 300,000+ migrants and taken 345 million+ doses of fentanyl off the streets. According to Maj. Gen. Thomas M. Suelzer, TX Adjutant General & head of the TX Military Department, "Texas is experiencing historic levels of illegal crossings." As of 01-2023 the TX National Guard expanded OLS to El Paso in response to the unprecedented number of illegal border crossings there. Also, TX DPS developed the tactic of using drones in conjunction with groups of elite soldiers from the TX National Guard called "brush teams" to locate illegal immigrants. The teams use the information provided from the drones equipped with night vision and thermal cameras to locate and arrest trespassing migrants in unforgiving terrain. 1st Lt. Austin Laughlin developed a plan that would have Texas Guardsmen flying drones as part of OLS which led to the creation of the TX Military Department's Small Unmanned Aircraft System Program with Laughlin as the program's training director. 2022 Texas GOP Priorities

These priorities were chosen by over 5,000 voting delegates at the state convention, June 13-18, 2022 in Houston, Texas. Delegates were presented with a [list of 15 topics selected by the Legislative Priorities Committee](#) after a comprehensive review of resolutions passed at the precinct and senate district levels of the convention process. Delegates were allowed to vote on 8 topics, which became the official Legislative Priorities of the Republican Party of Texas.

1. Protect our Elections:

Restore felony penalties and enact civil penalties for Election Code violations, which shall be enforceable by any Texas jurisdiction, including the Texas Attorney General. Require citizenship verification of each voter. Restrict the distribution of mail-in ballots to only disabled, military, and citizens that are out of state. Reduce the time allowed for early voting, and eliminate the three-day gap between early voting and election day. Establish closed primaries in Texas. As technology evolves, we encourage the passage of legislation that ensures the security of our elections.

2. Secure the Border and Protect Texans:

Texas shall immediately deny all taxpayer funded services and subsidies to illegal aliens. We call upon the Governor to assert his duty under Article 1, Section 10, Clause 3 of the US Constitution to declare an invasion on our Texas border and do everything in his power to protect Texans from this invasion. The legislature shall direct the Governor to enter into an Interstate Compact with one or more states for Border Security.

3. Ban Gender Modification of Children:

Texas must ban chemical castration, puberty blockers, cross-sex hormones, genital mutilation, bodily alteration surgery, psychological/social transitioning, and any other methods applied to or performed on children.

4. Stop Sexualizing Texas Kids:

Repeal Texas Penal Code "Obscenity Exemption" 43.24(c), which allows children access to harmful, explicit, or pornographic materials and 43.25(f)(2 3), which allows sexual performance by a child. In addition, prohibit teaching, exposure, and/or discussion of sexual matters (mechanics, feelings, orientation, or "gender identity" issues), and prohibit use or provision of related books and other materials using criminal, civil or other enforcement measures.

5. Ban Democrat Chairs:

To ensure all legislative Republican priorities are given a fair opportunity to become law, the Republican-controlled Texas legislature shall adopt a rule that would end the practice of awarding committee chairmanships to Democrats.

6. Abolish Abortion in Texas:

Abolish abortion by ensuring the right to life and equal protection of the laws to all preborn children from the moment of fertilization, including adopting effective tools to ensure the enforcement of our laws to protect life when district attorneys fail to do so.

7. Defend Our Gun Rights:

Protect our gun rights against threats, such as red flag laws, federal, state or other restrictions, by strengthening and preserving our inalienable rights under the second amendment to protect our life, liberty and property. The Texas Legislature should eliminate gun-free zones.

8. Parental Rights and Educational Freedom:

Parents are the primary decision makers for their children in all matters. This authority shall be protected as an inalienable right. This shall include the choice of schooling where the money follows the child without strings attached, and enforcement and penalty mechanisms when parents' rights are violated. The right to education shall be free from any social theories.
