President's Message

Republican Friends,

What a busy summer it has been!

Many events have happened since our last meeting in May. The biggest news item was the assassination attempt on President Trump in Wisconsin just before his presidential nomination at the Republican National Convention. His speech at the convention was motivating, encouraging, and unifying.

Before every election you hear it's the most important election of our lifetime. I truly believe it is the most important election of my lifetime. As engaged Republicans we must have every Republican voter to get out and vote. Not only vote, but vote for EVERY REPUBLICAN CANDIDATE from the top (PRESIDENT) to the bottom (COUNTY CONSTABLE).

It has come to my attention that we have rogue Republicans in Galveston County supporting and endorsing a Democratic Candidate in Galveston County. President Trump called for unity in the Republican Party. I am supporting all Republican candidates on the ballot in November. I will be voting for the Republican nominee for Sheriff, Jimmy Fullen.

Besides getting out the vote and unifying, I encourage everyone to work in the election process in November. We need more election workers this year in our county because we have more polling sites. I will be off on November 5th to serve in the election process. If you work, please consider taking November 5, 2024, off and sign-up to work as an election clerk, judge, or other role.

United I stand behind all Republicans on the November 5th ballot.

God Bless Texas!

SPEAKER

Randolph G. Russell

American History Author

Randolph G. Russell is the author of American History In No Time. He wrote this short, easy to read book after realizing his own children did not know many things he thought they should have learned in school. In addition to his expertise in history, the author is an accomplished musician, who, in his younger years, performed in many European countries and throughout the United States. He holds degrees from the University of Miami and the University of Florida. He will entertain us with his passion for American History. You will not want to miss his speech and the show stopping ending.

We hope you can join us. Please RSVP at clearcreekrw.org

You may cancel up to 24 hours before meeting, free of charge. After that time, you will be charged for your meal if we are charged by La Brisa for your RSVP.

We are no longer offering a non-eating option at the monthly lunch at La Brisa, so please select one of the 3 meal options as noted on the website. The \$20 lunch fee is to be paid in cash or check only (made payable to La Brisa).

Looking Back...

The members of CCRW have had so many opportunities to hear from our elected officials at our monthly meetings. It is through these updates, that our members are informed of new policies that they have presented to the legislature and have become Texas state law. In this way, we are able to not only stay informed but to ask questions. We have always been able to reach out to our community and are then able to explain to give better understanding. Other Speakers also gave informative insight on current political activities and gave our members a way to give back to the community.

BARW 31st Annual Lincoln Dinner – Guest Speaker Guy Benson
September 27
Lakewood Yacht Club
2322 Lakewood Yacht Club Drive, Seabrook

BARW is proud to announce that columnist, radio talk show host, political pundit and Fox News contributor Guy Benson will be the keynote speaker for this year's Lincoln Day Dinner!

Guy Benson is a Fox News Contributor, Political Editor of Townhall.com, and the host of the nationally-syndicated 'Guy Benson Show' on Fox News Radio. Guy was named to Forbes magazine's '30 under 30' law & policy list in 2015, the year he co-authored End of Discussion, a prescient warning about the perils of cancel culture. The Huffington Post included Guy in its 2017 roster of the '25 top millennial broadcasters in American news and politics'. That same year, he received the College Republican National Committee's biannual Lee Atwater 'Outstanding Young Conservative award.' Guy has served as a Media Fellow at Stanford University's Hoover Institution, and a Visiting Fellow at both Harvard and Georgetown Universities' Institutes of Politics. He graduated with honors from the Medill School of Journalism at Northwestern University in 2007.

In addition, after you finish inviting everyone, it's time to start thinking about your Silent Auction items. Remember this is our only fundraiser and the silent auction is a big part of that effort. We have a fabulous team working on the Auction. Please feel free to reach out to any one of them if you have questions and/or need ideas. All of them request a text rather than phone call as the most efficient way to contact them to ask questions or arrange for the drop off of items. I have attached the Auction Item Info form that must accompany each item. Now Let's Get'r Done! Thanks for all you do!
