

## January 2024

### PRESIDENT'S MESSAGE

Hello 2024!

I am honored and excited to have been chosen to serve as your Clear Creek Republican Women's President for the next two years. I was thinking about our motto 'Reaching for the Stars.' You may imagine someone standing tall, reaching toward the night sky full of stars. For me, I strive to achieve my goals even when faced with challenges. Starting 2024, I challenge each of you to stand firm and work to achieve your goals no matter how big or small they may be.

Every two years we hear '*This is the most important election we are facing*'. Well, it definitely is an important election year. The Republican primary in March will have 8 presidential candidates on the ballot. Besides the presidential race, we will have state and local officials on the ballot. It is important, as Republicans, that we look at the **BIGGER** picture... the November election. We must come together and unite for conservative values.

Toni Anne Dashiell, National Committeewoman for The Republican Party of Texas, will be our speaker for our January lunch meeting. She will speak about the convention processes and how to become a Republican Delegate. Please RSVP [here](#) for the lunch meeting on Friday, January 5, 2024. If you are interested in being a delegate, you will not want to miss this informative meeting.

I look forward to seeing you at the January meeting.

God Bless Texas!

Della Brown

Clear Creek Republican Women

President

# 2022 Texas GOP Priorities

These priorities were chosen by over 5,000 voting delegates at the state convention, June 13-18, 2022 in Houston, Texas. Delegates were presented with a [list of 15 topics selected by the Legislative Priorities Committee](#) after a comprehensive review of resolutions passed at the precinct and senate district levels of the convention process. Delegates were allowed to vote on 8 topics, which became the official Legislative Priorities of the Republican Party of Texas.

## 1. Protect our Elections:

Restore felony penalties and enact civil penalties for Election Code violations, which shall be enforceable by any Texas jurisdiction, including the Texas Attorney General. Require citizenship verification of each voter. Restrict the distribution of mail-in ballots to only disabled, military, and citizens that are out of state. Reduce the time allowed for early voting, and eliminate the three-day gap between early voting and election day. Establish closed primaries in Texas. As technology evolves, we encourage the passage of legislation that ensures the security of our elections.

## 2. Secure the Border and Protect Texans:

Texas shall immediately deny all taxpayer funded services and subsidies to illegal aliens. We call upon the Governor to assert his duty under Article 1, Section 10, Clause 3 of the US Constitution to declare an invasion on our Texas border and do everything in his power to protect Texans from this invasion. The legislature shall direct the Governor to enter into an Interstate Compact with one or more states for Border Security.

## 3. Ban Gender Modification of Children:

Texas must ban chemical castration, puberty blockers, cross-sex hormones, genital mutilation, bodily alteration surgery, psychological/social transitioning, and any other methods applied to or performed on children.

## 4. Stop Sexualizing Texas Kids:

Repeal Texas Penal Code "Obscenity Exemption" 43.24(c), which allows children access to harmful, explicit, or pornographic materials and 43.25(f)(2 3), which allows sexual performance by a child. In addition, prohibit teaching, exposure, and/or discussion of sexual matters (mechanics, feelings, orientation, or "gender identity" issues), and prohibit use or provision of related books and other materials using criminal, civil or other enforcement measures.

## 5. Ban Democrat Chairs:

To ensure all legislative Republican priorities are given a fair opportunity to become law, the Republican-controlled Texas legislature shall adopt a rule that would end the practice of awarding committee chairmanships to Democrats.

## 6. Abolish Abortion in Texas:

Abolish abortion by ensuring the right to life and equal protection of the laws to all preborn children from the moment of fertilization, including adopting effective tools to ensure the enforcement of our laws to protect life when district attorneys fail to do so.

## 7. Defend Our Gun Rights:

Protect our gun rights against threats, such as red flag laws, federal, state or other restrictions, by strengthening and preserving our inalienable rights under the second amendment to protect our life, liberty and property. The Texas Legislature should eliminate gun-free zones.

## 8. Parental Rights and Educational Freedom:

Parents are the primary decision makers for their children in all matters. This authority shall be protected as an inalienable right. This shall include the choice of schooling where the money follows the child without strings attached, and enforcement and penalty mechanisms when parents' rights are violated. The right to education shall be free from any social theories.

We also still request that you limit your posts to 1x/week and the best way to get to know the members is to come to our meetings or events throughout the year. Please do NOT send your posts to us, you may post directly to the group, we will approve them, as long as you are current member
