PRESIDENT'S MESSAGE

Republican Friends,

The 2024 Texas Primary is almost over. If you have not voted yet, please take the time to go vote today. February was full of many great candidate forums and events. We had 2 candidate events and our very first 'Speed Dating with the Candidates' event, which was a huge success. Thank you, Hilary, for your great ideas on this event. After this election, it is time to come together as a unified Republican Party and get behind OUR Republican candidates for the November General Election.

Thank you to all our members that are volunteering your time on a campaign or as an election worker. Please remember to turn your Republican volunteer hours in to Debra Niblack, CCRW Campaign Chair. She will enjoy seeing the boost in hours for the quarter. TFRW needs our hours because we are always competing with other states for volunteer hours. Please post your hours on our website.

Several board members and I attended the Texas Federation of Republican Women Leadership Day training in January. This event was centered around growing our delegation at the Republican Party of Texas (RPT) State Convention. TFRW has a goal to send 3,000 Republican Women to the state convention in May. CCRW will receive money from TFRW to offset expenses to the RPT State Convention as a Delegate. Please attend your Republican Precinct Convention and your Senate District County Convention. We will have more information on how to receive funds for the RPT State Convention soon. Information and dates about the Galveston County Precinct Conventions and Galveston County Senate District 11 Convention are below.

God Bless Texas!

TEXAS

BORDER CRISIS

06-2023, Per the Federation for American Immigration Reform (FAIR), as of June 2023, FAIR estimated that **approximately 16.8 million illegal aliens reside in the U. S.** This imposes, "... a net annual cost of \$150.6 billion on American taxpayers as of the beginning of 2023. ... When further adjusted for the increased illegal alien population growth ... **taxpayers are being set up for annual spending to the tune of \$163 billion and counting.** This burden will only continue to grow as a result of the Biden administration's open-borders policies."

See: [How Many Illegal Aliens Are in the United States? 2023 Update | FAIRUS.org](#) which provides, an "Illegal Border Crossings Today" counter.

02-12-24, the state of TX **still maintains control of Shelby Park in Eagle Pass.** [Video \(af.mil\)](#)

02-13-24, the U.S. House passed H.Res.863 which, "... impeaches Secretary of Homeland Security [Alejandro] Mayorkas for high crimes and misdemeanors, including for his handling of issues involving fentanyl and border security." **This is only the second time a cabinet official has been impeached in U.S. history.** H.Res.863 further states, "... Throughout his tenure as Secretary of Homeland Security, [he] has repeatedly violated laws enacted by Congress regarding immigration and border security. In large part because of his unlawful conduct, millions of aliens have illegally entered the United States on an annual basis with many unlawfully remaining in the United States. His refusal to obey the law is not only an offense against the separation of powers in the Constitution of the United States, it also threatens our national security and has had a dire impact on communities across the country. Despite clear evidence that his willful and systemic refusal to comply with the law has significantly contributed to unprecedented levels of illegal entrants, the increased control of the Southwest border by drug cartels, and the imposition of enormous costs on States and localities affected by the influx of aliens, [he] has continued in his refusal to comply with the law, and thereby acted to the grave detriment of the interests of the United States."

[Text - H.Res.863 - 118th Congress \(2023-2024\): Impeaching Alejandro Nicholas Mayorkas, Secretary of Homeland Security, for high crimes and misdemeanors. | Congress.gov | Library of Congress](#)

02-16-24, since the launch of **Operation Lone Star (OLS)**, the multi-agency effort has led to over 500,000 illegal immigrant apprehensions and more than 39,500 criminal arrests with 35,600+ felony charges. In the fight against the fentanyl crisis, TX law enforcement has seized over 467 million lethal doses of fentanyl. In addition to Arkansas, Florida, Idaho, Iowa, Nebraska, North Dakota, Ohio, Oklahoma, South Carolina, South Dakota, Tennessee, Virginia, West Virginia and Wyoming having responded by providing soldiers and law enforcement officers on the TX border, **as of 02-12-24, Indiana, Louisiana, Missouri and Utah are also pledging to send troops.**

<https://gov.texas.gov/news/post/operation-lone-star-boosts-support-for-deployed-texas-national-guard-soldiers>

03-05-24, SB4 becomes effective and provides the ability for TX to legally enforce the capture and return of illegal immigrants. SB4 was enacted by the 88th TX Legislature 4th Special Session such that **those who cross the border illegally and are caught** can be charged with a Class B misdemeanor for an initial offense, with a state jail felony for a subsequent conviction and **can be required via court order to return to the foreign nation from which they entered.**

Looking Back...

Kathie Nenninger, Historian

Congressional candidate Paul Williams and CCRW President, Bonnie Norman

In CCRW's second year, we proudly won Lt. Governor Dewhurst's Statewide Voter Registration award for registering the most voters in all of the TFRW clubs. CCRW has always been known as the club who rolled up their sleeves to work for candidates. We have received TFRW's John Tower award every cycle, several NFRW Gold awards and many Silver awards. In 1993, Tommy Randolph, CCRW President and Kathie Nenninger, Newsletter Editor, received TFRW's most improved newsletter.

2007 winners, Kathie Nenninger and SD District 11, Lilian Keeney with 2001 winner from BARW and CCRW, Carole Ragland

CCRW Presidents, Kathie Nenninger (2007) and Barbara Meeks (2011), have both been awarded TFRW's prestigious *Texas 10 Outstanding Republican Women*. This competitive award goes to only 10 women across the state of Texas every two years.

Our members have become SD 11 Volunteers and Alternate Volunteers of the year, Party Chairman, (Barbara Meeks) JPs (Kathleen McCumber), County Tax Assessor Collector (Cheryl Johnson), Probate Judges (Kim Sullivan), County Court Judges (Kerri Foley), District Court Judges (Patricia Grady and Michelle Slaughter) and Texas Court of Criminal Appeals Judges (Michelle Slaughter) with many more office holders yet to come from our membership. Several other members have also been on the staff of our elected officials. Most of all, CCRW members have been instrumental in turning Galveston County completely red.

2022 Texas GOP Priorities

These priorities were chosen by over 5,000 voting delegates at the state convention, June 13-18, 2022 in Houston, Texas. Delegates were presented with a [list of 15 topics selected by the Legislative Priorities Committee](#) after a comprehensive review of resolutions passed at the precinct and senate district levels of the convention process. Delegates were allowed to vote on 8 topics, which became the official Legislative Priorities of the Republican Party of Texas.

1. Protect our Elections:

Restore felony penalties and enact civil penalties for Election Code violations, which shall be enforceable by any Texas jurisdiction, including the Texas Attorney General. Require citizenship verification of each voter. Restrict the distribution of mail-in ballots to only disabled, military, and citizens that are out of state. Reduce the time allowed for early voting, and eliminate the three-day gap between early voting and election day. Establish closed primaries in Texas. As technology evolves, we encourage the passage of legislation that ensures the security of our elections.

2. Secure the Border and Protect Texans:

Texas shall immediately deny all taxpayer funded services and subsidies to illegal aliens. We call upon the Governor to assert his duty under Article 1, Section 10, Clause 3 of the US Constitution to declare an invasion on our Texas border and do everything in his power to protect Texans from this invasion. The legislature shall direct the Governor to enter into an Interstate Compact with one or more states for Border Security.

3. Ban Gender Modification of Children:

Texas must ban chemical castration, puberty blockers, cross-sex hormones, genital mutilation, bodily alteration surgery, psychological/social transitioning, and any other methods applied to or performed on children.

4. Stop Sexualizing Texas Kids:

Repeal Texas Penal Code "Obscenity Exemption" 43.24(c), which allows children access to harmful, explicit, or pornographic materials and 43.25(f)(2 3), which allows sexual performance by a child. In addition, prohibit teaching, exposure, and/or discussion of sexual matters (mechanics, feelings, orientation, or "gender identity" issues), and prohibit use or provision of related books and other materials using criminal, civil or other enforcement measures.

5. Ban Democrat Chairs:

To ensure all legislative Republican priorities are given a fair opportunity to become law, the Republican-controlled Texas legislature shall adopt a rule that would end the practice of awarding committee chairmanships to Democrats.

6. Abolish Abortion in Texas:

Abolish abortion by ensuring the right to life and equal protection of the laws to all preborn children from the moment of fertilization, including adopting effective tools to ensure the enforcement of our laws to protect life when district attorneys fail to do so.

7. Defend Our Gun Rights:

Protect our gun rights against threats, such as red flag laws, federal, state or other restrictions, by strengthening and preserving our inalienable rights under the second amendment to protect our life, liberty and property. The Texas Legislature should eliminate gun-free zones.

8. Parental Rights and Educational Freedom:

Parents are the primary decision makers for their children in all matters. This authority shall be protected as an inalienable right. This shall include the choice of schooling where the money follows the child without strings attached, and enforcement and penalty mechanisms when parents' rights are violated. The right to education shall be free from any social theories.
