PRESIDENT’S MESSAGE

Happy May Republican Friends!

May is full of many events and reasons to give appreciation for those that serve around us.

May is National Military Appreciation Month

May 12 Mother’s Day

May 6-12 National Nurses Week

May 6-10 National Teacher Appreciation Week

May 12-18 National Police Officers Week

May 19-25 National EMS Week

Please take time this month to give appreciation to those that serve.

The Republican Party of Texas, State Convention 2024 is May 23-25 in San Antonio, Texas. The theme this year is *Defend Texas, Save America*. During this convention, delegates will elect Republican Party officials, create a party platform, and determine legislative priorities. This is my seventh convention I am attending as a delegate. It is always nice to fellowship with other like-minded individuals. During this time in San Antonio, let’s unite as a party of unity, as Texans fighting to save America.

You will not want to miss Galveston County Judge Mark Henry on May 3rd at our May Monthly Meeting. Join Clear Creek Republican Women as Judge Henry gives the latest updates on the County Commissioner redistricting lawsuit. The outcome of this case will impact the future political landscape of our nation. You will not read this information in the *Galveston County Daily News*.

ELECTION INTEGRITY

SCOTUS Docket 23-939 is President Trump's petition seeking to determine whether, "... **Presidents have absolute immunity from criminal prosecution for their official acts...**" and is to be heard by SCOTUS starting, 04-25-24.

23-939 is appealing the D.C. federal appeals court decision regarding the 2020 federal election subversion case brought by special counsel Jack Smith against Pres. Trump in which the court ruled "... any executive immunity that may have protected him while he served as President no longer protects him against this prosecution."

23-939 argues the President must have immunity, otherwise "... The President's political opponents will seek to influence and control his or her decisions via effective extortion or blackmail with the threat, explicit or implicit, of indictment by a future, hostile Administration, for acts that do not warrant any such prosecution. This threat will hang like a millstone around every future President's neck, distorting Presidential decision making, undermining the President's independence, and clouding the President's ability 'to deal fearlessly and impartially with' the duties of his office."

20+ amicus briefs have been filed regarding 23-939 including: by Alabama and 21 other states (including TX) in support of President Trump; by Senator Steve Daines & the National Republican Senatorial Committee; by the Kansas Republican Party + Republican parties of AL, AZ, CO, DE, GA, IL, KY, ME, NE, OK, SC, SD, VA, WV, and WY as well as D.C. and the VI; by former White House Chief of Staff, Mark Meadows; by the Puerto Rico House of Representatives; by Condemed USA and its founder, Treniss Evans who has been investigating and reporting events of January 6th since 01-06-21. Evans was present at the Capitol on that day and has testified before the U.S. House Affairs Committee. His Amicus argues that, "... the actions alleged are ... within any President's scope of official duties, including to make sure that the laws be faithfully executed with regard to elections, possible foreign interference, and faithfulness to Article II, Section 1, of the U.S. Constitution. ... Upon hearing reports of foreign countries possibly hacking into voting machines, no President could responsibly or consistent with the faithful exercise of his duties fail to thoroughly investigate."

SCOTUS Docket 23-1021

On, 04-22-24, SCOTUS denied the Lake/Finchem petition and will not review the decisions of the Arizona district court and the Ninth Circuit nor order that the challenge to the 2022 election procedures be heard on the merits.

COMMITTEES & CAUCUSES

Senatorial District (SD) Caucus – Twice during the convention, delegates will meet together with all the other delegates from their same State Senate district to hold a Senatorial District Caucus. The first SD caucus will be called to order by that SD’s Temporary Caucus Chair. These Chairs were appointed by Chairman Rinaldi upon the recommendation of one or both of that district’s SREC members. After the meeting is called to order, the delegates will elect a Permanent Caucus Chair to conduct the rest of the caucus business.

Congressional District (CD) Caucus – Twice during the convention, delegates will meet together with all other delegates from their Congressional district to hold a Congressional District Caucus. The first CD caucus will be called to order by the CD’s Temporary Caucus Chair - who is appointed by Chairman Rinaldi. After the meeting is called to order, the delegates will elect a National Committee Woman, National Committee Man, National Delegate, Presidential Elector, and National Nominations Committee member.

Temporary Committees – Each of these committees includes 32 people: a chairman appointed by State Chairman Matt Rinaldi, and one member from each of the 31 Senatorial Districts (SDs) appointed by Chairman Rinaldi upon the recommendation of one or both of that district’s SREC members.

Delegates and Alternates at the Texas State Convention that are full members of Clear Creek Republican Women (as of March 1, 2024) will be eligible for reimbursement for some travel expenses to the state convention in San Antonio. Money will be distributed after the state convention. More information to come about the disbursement in the coming months.

TFRW Newsletter Page 3-4 for more information!

Because hotel rooms are expensive, TFRW has a contract for a block of rooms at the La Quinta Inn and Suites San Antonio Riverwalk. Rooms will be \$179/night - \$40 cheaper than the Hyatt and Marriott nearby. The La Quinta is across the street from the Henry B. Gonzalez Convention Center where the RPT Convention will be held. We will not be able to add additional rooms to our block, so when they are full, they are full. Click [HERE](#) for hotel link.

2022 Texas GOP Priorities

These priorities were chosen by over 5,000 voting delegates at the state convention, June 13-18, 2022 in Houston, Texas. Delegates were presented with a [list of 15 topics selected by the Legislative Priorities Committee](#) after a comprehensive review of resolutions passed at the precinct and senate district levels of the convention process. Delegates were allowed to vote on 8 topics, which became the official Legislative Priorities of the Republican Party of Texas.

1. Protect our Elections:

Restore felony penalties and enact civil penalties for Election Code violations, which shall be enforceable by any Texas jurisdiction, including the Texas Attorney General. Require citizenship verification of each voter. Restrict the distribution of mail-in ballots to only disabled, military, and citizens that are out of state. Reduce the time allowed for early voting, and eliminate the three-day gap between early voting and election day. Establish closed primaries in Texas. As technology evolves, we encourage the passage of legislation that ensures the security of our elections.

2. Secure the Border and Protect Texans:

Texas shall immediately deny all taxpayer funded services and subsidies to illegal aliens. We call upon the Governor to assert his duty under Article 1, Section 10, Clause 3 of the US Constitution to declare an invasion on our Texas border and do everything in his power to protect Texans from this invasion. The legislature shall direct the Governor to enter into an Interstate Compact with one or more states for Border Security.

3. Ban Gender Modification of Children:

Texas must ban chemical castration, puberty blockers, cross-sex hormones, genital mutilation, bodily alteration surgery, psychological/social transitioning, and any other methods applied to or performed on children.

4. Stop Sexualizing Texas Kids:

Repeal Texas Penal Code "Obscenity Exemption" 43.24(c), which allows children access to harmful, explicit, or pornographic materials and 43.25(f)(2 3), which allows sexual performance by a child. In addition, prohibit teaching, exposure, and/or discussion of sexual matters (mechanics, feelings, orientation, or "gender identity" issues), and prohibit use or provision of related books and other materials using criminal, civil or other enforcement measures.

5. Ban Democrat Chairs:

To ensure all legislative Republican priorities are given a fair opportunity to become law, the Republican-controlled Texas legislature shall adopt a rule that would end the practice of awarding committee chairmanships to Democrats.

6. Abolish Abortion in Texas:

Abolish abortion by ensuring the right to life and equal protection of the laws to all preborn children from the moment of fertilization, including adopting effective tools to ensure the enforcement of our laws to protect life when district attorneys fail to do so.

7. Defend Our Gun Rights:

Protect our gun rights against threats, such as red flag laws, federal, state or other restrictions, by strengthening and preserving our inalienable rights under the second amendment to protect our life, liberty and property. The Texas Legislature should eliminate gun-free zones.

8. Parental Rights and Educational Freedom:

Parents are the primary decision makers for their children in all matters. This authority shall be protected as an inalienable right. This shall include the choice of schooling where the money follows the child without strings attached, and enforcement and penalty mechanisms when parents' rights are violated. The right to education shall be free from any social theories.

Social Media

Growth is GREAT and with it comes change, so we are rolling with it.

The CCRW Facebook group just updated the rules – we now require you to be a member of our club (Full or Associate) in order to post.

We will still moderate them to keep them relevant and polite as our focus is to inform, not to further divide our party/club. We also still request that you limit your posts to 1x/week and the best way to get to know the members is to come to our meetings or events throughout the year. Please do NOT send your posts to us, you may post directly to the group, we will approve them, as long as you are current member

You can join quickly and immediately just by going to our Membership page, filling out the form and making your modest \$40 payment for 2024.
