Leading the Charge

The 2002 election is the most important in recent years. First, we need to elect Republicans at the county level to give the north county more input in county issues. Second, we must maintain control at the top level state offices, Governor, Lt. Governor, etc. Third, it is crucial to gain control of the State House and retain control of the State Senate. Fourth, we need to retain control of the U.S. House and regain control of the U.S. Senate.

Republican women will have, as they have in the past, a very important role in achieving success. To achieve this goal, we must work to increase involvement of women with Republican values from all groups in the Clear Creek area. Ladies....let's roll.
Tommye Randolph, President

May the Lord bless our CCRW with a common purpose: to work together in harmony to make a difference in our community, country, state, and nation.

Cynthia Tauss 1st Vice President Membership

"True Leaders are not those who strive to be first, but those who are first to strive and who give their all for the success of the team. True leaders are first to see the need, envision the plan, and empower the team for action. By the strength of the leader's commitment, the power of the team is unleashed!"

How can you empower the team for action? By recruiting new members!

Beginning in February, CCRW Membership will recognize and present a special gift to the member who brings the most new members to the monthly meetings.

On the Trail...Campaign Activities
Bonnie Norman

What an exciting political primary season! Not only for the republican ticket, but also for the Democrats. Both sides have big name candidates and high hopes. While it is not unusual to see Democrats in contested primaries, this is not so in Republican primaries. For Galveston County, contested Republican primaries have become a reality. This change is an indication of our growing power within the county. Now, instead of being the underdogs, we are the winners. Let us not forget the following candidates who paved the way to this success: Patterson, Tauss, Norman, Taylor, Dill, Williams and the list goes on. Let us honor these people by getting out the vote on Tuesday, March 12, 2002. I encourage everyone to discuss issues with our candidates, ask the tough questions, get to know them, and decide if they are truthful and forthright. The last presidency proves that character does count!! We do not deserve politicians that misrepresent themselves, are self serving, and dishonest. So make your choices and vote.

Once the primary is over, we will begin our voter registration drive. Packets to become a registrar will be available at the February meeting. I encourage all of you to participate. Not only will we register voters, but it will expand our Republican base. Registering voters is a good way to meet people and it is really fun. Let's go girls! We can do it!
