## Membership Memo

Cynthia Tauss 1st Vice President Membership

*"True Leaders are not those who strive to be first, but those who are first to strive and who give their all for the success of the team. True leaders are first to see the need, envision the plan, and empower the team for action. By the strength of the leader's commitment, the power of the team is unleashed!"*

How can you empower the team for action? By recruiting new members!

Beginning in February, CCRW Membership will recognize and present a special gift to the member who brings the most new members to the monthly meetings.

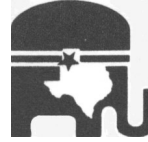

It is time to unleash the power of Galveston County's Republican Women.
