## Tommye's Tidbits

It's almost one year since the horror of 9/11. No American will ever forget the unbelievable scene of the plane going into the second tower, the collapse of both towers, the attack on the Pentagon and the heroism of the passengers on Flight 93. The rush of patriotism that spread across America was a reminder to all of us how blessed Americans are. With this said, it saddens me that Americans still fail to accept the responsibility of their precious right to vote.

We think nothing of driving miles to shop at a mall, attending sporting events in other cities, visiting tourist attractions, etc., yet most registered voters do not take the time to become informed and drive a few blocks to vote.

Terrorism threatens our homeland, but so too could voter apathy threaten our basic freedoms. It is essential that Republicans work not only to register voters, but to make sure that our Republican base, our friends and neighbors and the independents who share our Republican ideals, get out to the polls in November.

CCRW Board was so concerned about the need to work for our candidates and to reach as many voters as possible, that we've decided to postpone our Membership Tea and Style show until March 2003.

Please no excuses when called to help. Check your emails for volunteer opportunities. See you September 6th at our next regular meeting.

Tommye Randolph, President

We have a location for voter registration and we need volunteers to work. You do not have to be deputized to work the table. There will always be one deputy voter registrar on duty. Please take a look at the dates and call me with a time that you can work for at least one of the days. We need everyone to at least volunteer an hour of their time for this important voter registration. We will need as many voters to be able to vote for our candidates in November.
