

Clear Creek Republican Women 25th Anniversary 2000-2025

September 2025

TFRW REGION XVIII

SENATE DISTRICT 11

President's Message

Barbara Meeks, President

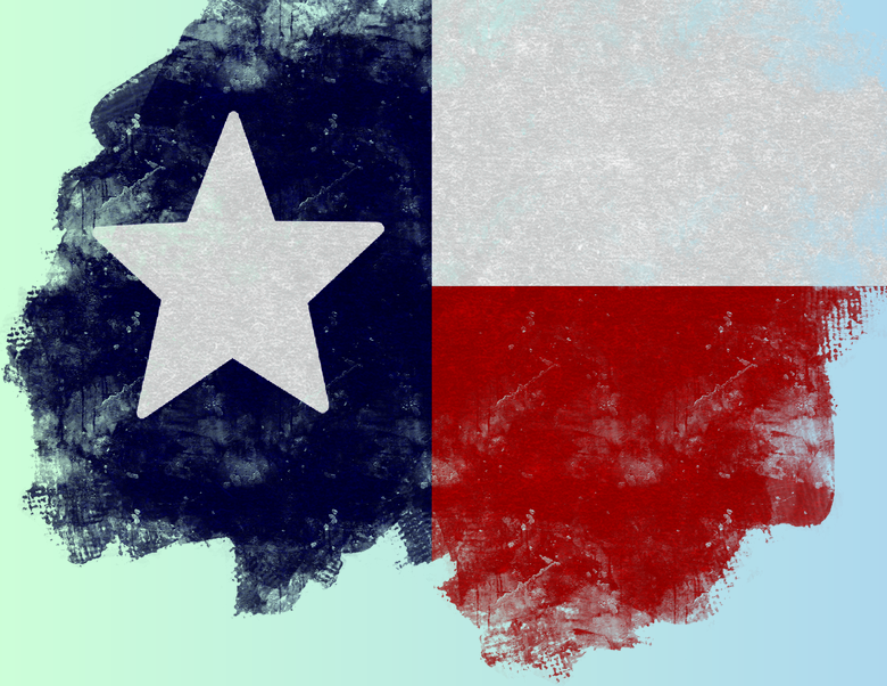

This is an EXCITING TIME to be a Republican! I say that quite often and it has never carried as much significance as it does today! Locally, we live in a safe community with Conservative Leadership that translates to reduced tax rates from both the City of League City and Galveston County. Hopefully, the city you call home is doing the same, sorry Houstonians. The State Legislature is doing their best now that flighty, liberal democrats returned to Austin to do the inevitable - approve redistricting!

As wonderful as it may be on the home front, the most significant Conservative actions may be in our Nation's Capital. We are SO thankful for President Donald J. Trump THIS is what we voted for! DC streets are safe; there is a focus on Parks and beautification; DEI is done; empty, unused buildings are being sold; the two-tier justice system is being dismantled and so much more. The world is vastly safer too, thanks to President Trump who in months, brokered peace that ended six wars, soon to be seven. Even Tibetan monks broke their vow of silence to publicly proclaim that President Trump should be awarded the Nobel Peace Prize!

To hear even MORE encouraging Conservative news, make plans to attend our September 5th meeting at La Brisa in League City. Our speaker will be Christi Craddick, Chair of the Texas Railroad Commission, whose father Tom was the first Republican Speaker of the Texas House.

See you then!

Please join us for our monthly meeting September 5th. Our speaker will be Christi Craddick

Christi Craddick is a principled conservative leader dedicated to keeping Texas strong. As Chairman of the Railroad Commission of Texas, she has spent over a decade ensuring our state's energy sector remains safe, responsible, and thriving—helping Texas cement its place as the economic engine of the United States. A lifelong Texan, Christi holds both a Bachelor's Degree as a Plan II graduate and a Doctorate of Jurisprudence from The University of Texas at Austin. Before joining the Railroad Commission, she built a career specializing in oil, gas, electricity, water, taxation, and environmental policy—all areas crucial to Texas' future.

CCRW Updates...
Making America Great Again

by Sandi McNeil

Let's Keep Growing and Bonding!

We've got something special going and it's too good not to share! Bring a friend, neighbor, coworker or family member to our next event. The more voices we have, the stronger we are in supporting Republican candidates right here in our community and across the state.

If you see a new face at a luncheon, don't be shy - say hello! A smile and a simple "join us" can turn someone from a guest into a new member and maybe even a lifelong friend.

Let's also take time to connect outside our meetings. How about a movie night, book club, museum trip, or just lunch at a local spot? Getting together outside the usual events helps build real friendships and that's what makes this group feel like family.

Can't wait to see you at the next luncheon. Don't forget to bring a friend - we're building something great, and there's always room for more!

Message from the Chaplain Debra Niblack

Add a little bit of Melania Trump Appeals to Putin to protect the children

Since February 2022 according to UN Human Rights, 716 children have been killed, more than 2000 injured, estimated 780,000 forced to flee to safer areas. 1.7 million are now refugees. We must believe that God was speaking through Melania when she sent this letter and it has put the issue of children's welfare at the center stage of diplomatic efforts to end this war
